ABOUT US

India's First & Largest Urban Organic Farming Company

- **Founded in March 2013** by NRI Angel Investors from Silicon Valley (USA)
- **Working in 25 cities** and installed over 1500 rooftop farming units
- Covered more than **700 rooftops** with lush green organic farms
- Working with schools, hospitals, SMART CITIES to **convert rooftops into organic farms**
- **Empaneled with Govt of Bihar** for India's largest rooftop farming project (1500 houses) subsidised by the government.
- Created green walls for **SMART CITY** Udaipur & Kota.
- Created over **50,000 sqr ft of green walls**, for both retail and institutional clients (hospitals, schools, malls, offices etc).
